WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the eighth day of March next, at ten A.M., to act upon the following subjects.

Article 1. To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2. To cast your ballots for the election of such officers as may be required, by law, to serve the Contoocook Valley School District for the ensuing year.

Article 3. To cast your ballots for the adoption of the amendments to the existing town zoning ordinance as has been proposed by the Planning Board.

THE POLLS SHALL OPEN AT TEN A.M., AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Municipal Building in said Temple, on Saturday, the Twelfth Day of March next, at ten o'clock in the morning, to act upon the following subject:

Article 4. To see if the Town will vote to raise and appropriate the sum of **\$547,854.00** for Town charges and other necessary maintenance and operating expenditures.

Article 5. To hear the reports of agents, auditors and committees or officers heretofore chosen and to pass any vote relating thereto.

Article 6. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to build a new salt storage building for the highway department. (Recommended by Selectmen).

Article 7. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000.00) for a new commercial style lawn mower for the cemeteries, ballpark and common. (Recommended by Selectmen).

Article 8. To see if the Town will vote to accept a parcel of land on the easterly side of East Cemetery being donated to the town of Temple by David and Barbara Clinkenbeard, and to further appropriate the sum of three thousand dollars (\$3,000.00) for the purpose of surveying this piece of property, having a deed written, and any other such legal work that needs to be done. (Recommended by Selectmen).

Article 9. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) for the purpose of improving and replacing the existing electrical service and wiring at the Mansfield Public Library or take any action thereto. (Recommended by Selectmen).

Article 10. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) to be used for the upgrading of the lighting in the Town Hall, or take any other action thereto. (Recommended by Selectmen).

Article 11. To see if the Town will vote to raise and appropriate the sum of nineteen thousand fifty two dollars (\$19,052.00) for the purpose of purchasing and equipping a new police cruiser for the police department, or take any other action relating thereto. (Recommended by Selectmen).

Article 12. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to provide handicapped access to the Town Hall and the Mansfield Public Library, or take any action thereto. (Recommended by Selectmen).

Article 13. To see if the Town will vote to authorize the Board of Selectmen to sell the 1973 GMC Fire Attack Pumper which will be put out to public bid. (Recommended by Selectmen).

Article 14. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) for the purpose of performing a precise survey of the boundary lines between Sharon and Temple. (Not recommended by Selectmen).

Article 15. To see if the Town will vote to direct the Board of Selectmen to fully examine each offer of materials, services and/or labor that may come from the private sector and to further direct the Selectmen to keep true and accurate records including all decisions of discussions. (By petition). (Recommended by Selectmen).

Article 16. To see if the Town will vote to designate a 50' x 100' piece of land, adjacent to the common, abutting Rt. 45 on the easterly side and directly across the road from the Birchwood Inn, to be for public parking purposes. (Recommended by Selectmen).

Article 17. To see if the Town will vote to accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money, from a state, federal or other governmental unit or a private source which becomes available during the fiscal year. (Recommended by Selectmen).

Article 18. To see if the Town will vote to accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year. (Recommended by Selectmen).

Article 19. To see if the Town will vote to accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes. (Recommended by Selectmen).

Given under our hands and seal this 8th day of February in the year of our Lord, Nineteen Hundred and Ninety Four,

Peter W. Caswell, Chairman
Brian F. Kullgren, Selectman

SELECTMEN'S REPORT

1993

The Selectmen and the town still feel the loss of our Town Clerk, Connie Hathaway, who passed away last year. While her official shoes have been capably filled by our new clerk, Joyce Kullgren, the whole town still feels the loss of Connie's genuine warmth and friendliness.

Otherwise, 1993 was a busy, but generally good year for the selectmen and the Town. The paving of Moran Road as far as the bottom of the hill, as approved at last year's town meeting, was completed. In December we took delivery of the Fire Department's new pumpmer.

The front of the Town Hall was given a much needed face lift. This is an ongoing matter, as the outside of the Town Hall won't hold paint for very long. Early this year we hope to do some structural reinforcing to the beams supporting the cupola, and to repair the leaks that have caused the damage. We intend to paint the ceiling and upgrade the lighting in the main room (see Article 10). We also hope to add a handicapped accessible entrance on the North side of the Town Hall, and to make the rear door of the Library accessible (Article 12).

David and Barbara Clinkenbeard have offered to donate about three acres of land to the town to be used as a cemetery. The land is adjacent to the existing East Cemetery. This would give us needed room to expand, as we have only ten years or so worth of space left in the existing cemeteries. The only cost to the town at this time will be surveying and legal costs (Article 8). The Selectmen and Cemetery Trustees heartily appreciate this generous gift.

Also on this year's warrant is Article 11, for a new police cruiser. The old one is almost 10 years old, has close to 150,000 miles on it, and needed more than \$3,000.00 in repairs last year. Reliability has been a major problem. The selectmen feel that the used cruisers have not stood up well to the demands of our current level of police activity. The investment required for a new one should last at least five or six years, and be more satisfactory in the long run.

As approved at the 1993 Town Meeting, the tax maps have been computerized and updated. This makes it easier for the public and the selectmen to read them, and simplifies the process of regular updates. We have included \$1,200 on the Professional Services line of this year's budget to continue refining and updating these maps as needed.

We have attempted to hold the line on the town budget, and unless there is a significant jump in the school or county budgets, we shouldn't have any major surprises when the tax rate is set in the fall. We cannot overemphasize the importance of going to Town and School District Meetings, and letting your state legislators know how you feel about the County Budget and local aid to education.

Respectfully submitted,
Temple Board of Selectmen

TOWN OF TEMPLE, N.H.
A Public Proclamation

Whereas:

The citizens of Temple, in the Annual Meeting assembled, did, under Article #19, vote that June 5, 1993 shall be observed as TEMPLE BAND DAY, and

Whereas:

The Temple Band is an organization that is a constant source of pride for the citizens of Temple and

Whereas:

The Temple Band was the first Town Band (1799) in our young nation, and

Whereas:

The members of The Temple Band (60 strong) come not only from the Town of Temple, but also from many of the surrounding cities and towns and villages and farms and

Whereas:

The Temple Band was the only band, big or small, that played music for the entire length of the 1983 July 4th parade and

Whereas:

The Temple Band has been further honored by being designated as the escort band for the Grand Parade Marshal for this 4th of July parade (1993) and

Whereas:

We, the Selectmen of the Town of Temple, take considerable pride in being able to issue this proclamation, it being an honor given to few people. And therefore, as the Selectmen of Temple do hereby issue the following proclamation:

- Saturday, June 5th, 1993 shall be observed as Temple Band Day and

- Word of this decree shall be spread across every New Hampshire village and farm and even to neighboring states, and even across this great nation, from sea to shining sea

- And further, we congratulate the Temple Band and its members for a good job well done. And may they always have a good supply of hooters and tooters. Given under our hands and seal on May 4th, 1993.

Selectmen of Temple

Peter W. Caswell

Brian F. Kullgren

Allan Pickman

Proclamation composed by Albert A. Quinn at the request of the Temple Board of Selectmen.

- 3 Search for Lost Person
- 1 Downed Power Line
- 1 Emergency Storm Shelter
- 4 False Alarms
- 3 Miscellaneous Calls

As you will notice, each year we are responding to more and more motor vehicle accidents. This is definitely an unsettling statistic. Other than that, our calls were fairly normal.

At the Town Meeting in 1993 it was voted in the affirmative to purchase a new Class A Fire Pumper. Where as the Fire Departments truck committee had already spent a year designing a truck and having five separate companies give us a bid price on it, we figured the rest would be easy. This did not turn out to be true. For the next eight months we found that we had to constantly deal with one problem or another. But finally on December 19, 1993 we had the truck that we wanted in Temple. I won't go into the details of the truck, the specifications were twenty-nine pages long, but I will say it's a beautiful, well built truck that should last the town for the next thirty years as our front line attack pumper. This truck will be on display at the Town Meeting in 1994 and we will be more than happy to answer any questions that you may have.

Our training this year was fairly ambitious. With all the hazardous chemicals that are around these days, things seem to be getting more precarious than ever. For this reason we decided to take several courses in Hazardous Materials Training to try and keep up to the times. We also sent four more of our firefighters to take the Certified Firefighter Level 1 course. We now have one of the highest percentages of certified firefighters in the state of N.H.

To go along with all of our training, we now have eight new Self Contained Breathing Apparatus. These new S.C.B.A.'s are state of the art units and will give us the protection we need in almost all circumstances. They are lighter, easier to maintain and safer. Four of

the units are mounted in the new truck and the other four are mounted in the Rescue Van so they can be donned on the way to the scene of an incident. This way we are already prepared upon arrival.

As usual we had several projects that we worked on. One of these projects was to change the interior of the Rescue Van. With the new pumper having more compartment space, it helped enable us to move some of the equipment out of the van, thus creating more space. The van will now seat eleven people with seat belts, as compared to having a seating capacity before of five of which none had seat belts.

A second project we did was to install a "dry hydrant" on Webster Rd., next to the intersection of North Road. A dry hydrant is a pipe that protrudes out of the ground on one end with fittings to be connected to a fire truck. The other end of the pipe goes out into a pond or stream near the bottom, thus making the water source easily accessible all year round. The money to buy the pipe and fittings was donated by Mr. & Mrs. Bartolomeo of Webster Road. The labor and machinery work was all donated by fire department members.

A third project we completed was to work together with our Civil Defense Director, Russell Tyler and Nancy Wertz from the Federal Emergency Management Association, to write up a Local Emergency Plan. This plan documents things that need to be done, a list of people that can do them and other information that is imperative in a time of need such as a hurricane, blizzard or large hazardous materials spill. By having this plan on file with F.E.M.A. it also gives us access to all sorts of materials, data and financial help that we did not have before.

One of our goals for 1994 is to attempt to get the insurance rating for the town of Temple down a point or two. Doing this would help drop everyone's home insurance to lower rates. To do this though, is a long drawn out process. In order to do this, we must be able to show that we can respond to any residence in town in a given amount of time, start pumping X amount of water in a given amount of time, and maintain that water level for a given amount of time. By purchasing the new pumper with a larger pump and tank capacity this helps us get one step closer to our goal. We also need to have more dry hydrants in town so that we have better accessibility to greater amounts of water year round. Each of these hydrants costs between \$500 and \$1000 just for the piping and fittings (depending upon the distance it needs to run). If anyone has some suggestions that will help us in this matter or would like to donate some money towards it, we would be very pleased to hear from you.

Respectfully submitted,
Timothy P. Fiske, Fire Chief

TEMPLE VOLUNTEER FIRE DEPARTMENT AUXILIARY 1993

The Temple Fire Department Auxiliary is a group of wives, mothers, husbands, and friends of the Fire Department as well as Fire Department members, who support the Fire Department in a non-firefighter capacity. The Auxiliary has a membership of over 25 individuals.

In 1993 the Auxiliary held numerous fund raisers to help support the Fire Department. In March we held a St. Patrick's Day Breakfast, in May a spring Rummage Sale, in June marched in Temple's Memorial Day Parade and held a Father's Day Breakfast, in July had a raffle at the TVFD Flea Market, in November we held our fall Rummage Sale, and in December helped Santa with his appointed rounds. Along with our fund raisers we also help out at the Fire Department functions, like the chicken BBQ, the 4th of July at the ball field, and the flea market.

The Auxiliary formed its own muster team this year. We competed in 3 musters this year, Greenville, Greenfield, and Townsend, MA. The Auxiliary team won numerous trophies.

One of our members made a "Mrs. Claus" costume to be used by the department at Christmas time. The department had already purchased the "Santa" costume and was renting the "Mrs. Claus" every year. This will save the renting costs from now on.

Lastly, we have been there when the Fire Department needed us. On occasion we go to the scene, be it a fire or auto accident with coffee, cold drinks, and food. This helps our firefighters refresh their energy so they can spend hours at a situation.

FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fire are preventable, but ONLY with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, *without first obtaining a written permit from the Forest Fire Warden of the town where the burning is to be done.*"

Violation of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000.00 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember...Only YOU can prevent forest fires. Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

"REMEMBER...SMOKEY HAS FOR FIFTY YEARS!"

CONSERVATION COMMISSION REPORT

The Conservation Commission meets every first Monday of the month at 5:00 p.m. in the Town Municipal building, and the public is invited to attend.

This year, the Conservation Commission has been reasonably quiet. Early in the year, the Commission monitored the ongoing progress concerning Edgar Leighton's dredging activities, as well as two lumber operations in town.

The Conservation Commission is progressing through donation, the purchase of Temple's last remaining schoolhouse, located on North Road in North Temple. Schoolhouse Number 6 seems to be in original condition, and was used until just after the turn of the century.

Temple welcomes the town to attend any meetings. Please call Warren Quinn, Chairman for specific details at 878-2897.

RECREATION COMMISSION REPORT

This year the Recreation Department sponsored its Annual 4th of July celebration at the ball field. The road race and children's parade were well attended. Adults and children joined in the relay race, egg toss and tug-o-war. Thanks go to the Fire Department for the antique fire truck rides and for hosing us down on that hot day.

The Annual children's Halloween party was canceled this year since all committee members were sick that week. We hope to resume this celebration next year.

We also assisted with preparations for the Senior's Thanksgiving lunch.

The Christmas lunch with Santa has become increasingly popular each year. It was especially exciting to see Santa, Mrs. Claus and Rudolph arrive in the Town's brand new fire truck! Thanks to all the volunteers who made this a special day for the children.

There is one Recreation Department seat available. We are looking for someone who would like to volunteer a little time in helping with our annual events and share some new ideas with us. If interested contact the Selectmen.

In 1994 we hope to add to our schedule an overnight Family camp out. Keep your eyes open this summer for more information.

Joe Cournoyer, Chairman, Recreation Commission

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.
Town of Temple, N.H.
January 1, 1993 to December 31, 1993

In 1993, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents a projection of HCS activities in your community in 1993. The projection is based on actual services provided from January through September 1993 and an estimate of usage during October, November and December.

Service Report	
<i>Services Offered</i>	<i>Services Provided</i>
Nursing	45 Visits
Child Health Nursing	3 Visits
Physical Therapy	32 Visits
Speech Pathology	15 Visits
Occupational Therapy	15 Visits
Medical Social Work	1 Visit
Outreach	5 Visits
Nutritionist	0 Visits
Homemaker	315 Visits
Home Health Aide	307 Visits
Child Health Program	2 Children

Total Unduplicated Residents Served: 13

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 1993 with all funding sources is projected to be \$27,124.07.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurance, grants and patient fees. Services that were not covered by other funding, have been supported by your town.

For 1994, we recommend an appropriation of \$1,750.00 to continue home care services at the current level.

Thank you for your consideration.

SOUHEGAN VALLEY AMBULANCE SERVICE, INC.

The Souhegan Valley Ambulance Service is happy to announce that we were able to reduce the bottom line of the overall budget. We are unhappy to say that negotiations with Mason appear to be fruitless, therefore the per capita cost has increased.

We have obtained current population figures from the State and for 1994 will use the following figures:

	Pop.	%
Greenville	2,206	29.42
New Ipswich	4,073	54.33
Temple	1,218	16.25
Total	<hr/> 7,497	<hr/> 100.00

Temple's total dollar figure for service for calendar year 1994 is \$7,889.38 or \$6.47 per person.

MONADNOCK FAMILY SERVICES

Summary of Services to Temple Residents from October 1, 1992 through September 20, 1993

Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little to no income. The Peterborough District Office is open five days and three nights per week. The Jaffrey District Office is open four days and two evenings per week. Based in our Keene Office, we provide 24 hour Emergency Services 7 days a week, 365 days a year.

Services we offer in addition to Emergency Services include: Psychiatric Assessment and Medication Treatment, Case Management, Residential treatment and a Day Treatment program. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral). Last year the Peterborough and Jaffrey offices of Monadnock Family Services served over 769 individuals, with more than 15,510 visits for direct treatment.

It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

This past year Monadnock Family Services provided 208 visits of direct treatment to TEMPLE residents. Of the 9 open cases, 7 were male and 2 were female, 2 were under the age of 18, 7 between the ages of 18 and 59, and 0 were 60 or older.

Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

MFS Adult Care Center was open over 912 hours in 1993, with an average daily attendance of approximately 15 clients. We provided over 15,048 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

The dollar amount requested from Temple to help us continue offering these services, is arrived at by multiplying the 1992 population estimates (prepared by the N.H. Office of State Planning) figure by \$1.00. This per capita amount represents no increase in four years. The amount we are requesting is \$1,218.

TEMPLE POLICE DEPARTMENT 1993

The Temple Police Department had a very busy 1993. Over all crimes such as drugs, juvenile cases, and vandalism were down substantially. However, motor vehicle accidents, arrests, calls for service, and animal complaints increased a great deal. Base 500 received and/or dispatched over 3,100 calls for the Temple Police Department. The crime rate in Temple has decreased by 5% since 1991 although the severity of the crimes have increased.

The police department has mutual aid agreements with Greenville, New Ipswich, Mason, Peterborough, Greenfield, Lyndeborough, and additional coverage by the New Hampshire State Police and the Sheriffs department. These agreements greatly reduce departmental costs, additional manning, and provides additional safety for the officers.

At last years town meeting the town voted to raise and appropriate the sum of \$1,745.00 to purchase a new radar unit. The department applied for and received a grant from the new Hampshire Safety Commission which decreased the cost of the radar unit by \$872.50. The police department will continue to apply for and use any available grants for police equipment to help lower costs.

I would like to thank the New Hampshire State Police for all their help, assistance, and training which is at no cost to the town. Troopers from Troop B have handled and/or assisted myself and my officers on countless accidents and criminal investigations.

The department welcomes Officer Lionel Edmond and thanks him along with Officer Peter Clegg and Officer Dave Elder for their continued dedication to the Temple Police Department and the town of Temple.

James H. McTague, Chief

HIGHWAY DEPARTMENT 1993

Summer 1993:

Let's start with Mud Season. Mud Season in the spring of 1993 was a little different. Some of the roads dried up quickly considering how much snow we had and were no problem at all. But others turned into a total disaster right from the start and remained that way for many weeks. The only explanation I have for this, is that there was so much frost and water in the ground that any section of road that was ready to fall apart, did, and the sections that have been repaired in the past several years didn't. So, along with our regular spring grading and ditching we found many places to use up our yearly allotment of gravel.

After the dirt roads were all ditched and graded we started preparing East Rd. and Moran Rd. for paving. Several trees and stumps had to be removed from Moran Rd. A couple spots needed widening and better drainage, and about 600 yds. of gravel was added to the surface. It was then paved with approximately 800 tons of cold asphalt mix, then sealed with liquid asphalt. On East Rd., we cleaned all the culverts and ditches, installed approximately 300' of drainage, and dug several large rocks out of the roadbed that had been pushed to the surface by frost. We then paved a large section of it and sealed all of it with liquid asphalt.

In 1994 we will be doing this type of work to Hadley Highway, Mansfield Rd., Hill Rd., and possibly Cutter Rd.

For other summer projects we laid out approximately 900' of geo-textile on Maplewood Dr. and covered it with 600 yds. of crushed gravel. We replaced or repaired several culverts around town, paved a few intersections, did our regular roadside mowing, road patching and other normal maintenance.

Winter 1993:

The winter of 1993 will be one that many people will definitely remember. Many people that now live in town had never seen what many of us call a normal snowy winter. But now they have, and understand what we mean. Actually, things went quite well; it was nice to plow snow and not have to fight with ice. The so-called blizzard of 1993 came and went and everyone did just fine. The Federal Emergency Management Association offered federal funds towards helping with the clean-up. After filling out the necessary paperwork, we received \$2,498.00 in extra aid.

The bill for plowing driveway's exceeded any amount ever spent before. Many people are not very happy with this situation but there doesn't seem to be much that can be done differently.

The bulk of the budget was spent in February and March. At the Town Meeting in April, \$40,000.00 was added to the driveway account. However, November and December turned out to be quite mild, not all of this was spent, and we ended up with left over funds.

In anticipation of another snowy winter we have inflated the budget slightly over normal again this year. Mostly in the driveway account.

In November 1993, the opportunity to purchase a used 1 ton truck from the Federal Surplus came upon us. We took advantage of this opportunity and purchased a four-wheel drive Chevrolet 1 ton truck that had 556 original miles on it for \$3,500.00. We are now equipping this truck with a body and plow. We feel that by purchasing and using this truck we will save money by not having to hire other trucks as much. It should completely pay for itself in about two years, but should last at least five to six years with minimal maintenance.

Respectfully submitted,
Timothy Fiske, Road Agent

On Hand December 31, 1993	3.91

We celebrated National Library Week by sponsoring our annual poster contest for the school children. Prizes were awarded and refreshments served at an Open House on April 20.

Our first annual fund raiser was the strawberry festival held on June 6, which netted \$116.49. Our second fund raiser, the book and pie sale on Sept. 26, netted \$421.16--despite the poor weather that day.

The Summer Fun Reading Program began on June 22 and ended on Aug. 19 with a party at the town hall. This was sponsored by our Friends of the Library and funded by donations from the Bragg Fund and Karl & Elizabeth Sladek. 46 children signed up with 40 finishing the requirements. A total of 804 books were read. All were presented with gift certificates for the Toadstool Book Shop and Jill Stockwell was given a special T-shirt for reading 137 books. Those attending made their own books and enjoyed ice cream sundaes.

When the town defeated our renovation/addition plan after 3 votes we were left with several pressing needs. Our furnace needed replacing--which we achieved last year, our worn carpeting needed replacing--which we achieved this year and our very old and inadequate electric wiring needed replacing--which we hope to do this year. We still do not meet state standards in the following areas: lack of a bathroom, running water, barrier free accessibility and a computer. These are requirements to remain in the statewide inter-library loan system. We receive free catalog cards for all accessions under this program as well as the ability to borrow books we do not have from other libraries. Loss of these services would be tragic.

Lack of space forced us to dispose of our core collection of older fiction. We were then able to move the adult fiction into the memorial room and devote the old library room to the children's collection. 1,108 books were removed from the library this year.

214 books were purchased and 223 books were given to the library with an estimated value of \$1,129.00.

We would like to thank the following for their donations of books,

magazines, tapes, time & money: *Anne Spaulding, John Dian, Martha MacDonald, Jane Daniels, John Dow, the Groff family, Sydney Thomas, Martha Scott, Dorothy Turini, Robin Downes, Ivy Vann, Margaret Zoll, Debbie Gallant, William Bauhan, Elena Krulis, Anne Lunt, Richard McAdoo, Risa Swanson, Ray Lee, Ed Leighton, Joanne Keuper, Norma Brady, Margaret Waterman, Brigitta Karl, Bill Wolfe, Roberta Leahy, the Salisbury family, Steven Teixeira, Helen Stone, Ruth Quinn, the Sartell family, Chris Weston, Christina Caswell, Lisa Ferrill, Maria Hebert, Vince Jones, Michael Bangs, Karl & Elizabeth Sladek, Nancy Woods, Don Fonda, Tim Winship, Brian Kullgren, Wayne Edwards, Tim Fiske, Chuck Willard, all of our trustees, all of the Friends and all who contributed to our fund raising or helped in any way.*

This past fall, with the help of landscaper David Dionne and contributions from the Drama Club and the Village Greens Committee, the steep banks in front of the library were dug up and re-planted.

We would greatly appreciate prompt return of borrowed materials. We do not charge fines (but encourage contributions) and a book drop is available at all times. Our policy is 2 written notices and then a bill for replacement cost. Unreturned books are expensive for all of us and deprives someone else who might wish to use them. Please!

The Friends of the Library group remains active and would like new members. The following programs were sponsored for the public last year: Austin Olney, Sy Montgomery, Elizabeth Orton Jones (Twig) and an Open House Dec. 2 (the day after our new carpeting was installed). The members also enjoyed a field trip to museums in Keene. Watch for our special programs this year.

CEMETERIES, PARKS AND COMMONS

The summer of 1993 was rather uneventful for this department. Lawns were mowed and trimmed regularly until everything dried up to dust in July. We began to wonder if anything would turn green again. But sure enough when the rains came, everything started to grow. The brush was cut around the cemetery in the center of town and we have started spraying the poison ivy with a biodegradable plant killer to keep it from taking over everything. The common had fertilizer spread on it again this year. The maple trees that were planted seem to be doing fine. We began to have our doubts if they would make it through the drought, but time will tell. The Common Committee had an electrical box installed on a pole by the common this year so that there would be electricity available for the various functions that go on.

This year you will find that we are asking you to vote on two separate warrant articles that involve this department. The first warrant article is to buy a new mower. We spent as many hours fixing the mower in 1993 as we did mowing with it. For this reason, we would like to buy a new commercial type mower. Whereas we are now mowing the ballpark along with the cemeteries and commons it is putting added stress on the machine and we feel we need a new one.

The second warrant article is to accept the piece of property being donated to the town by David and Barbara Clinkenbeard. For a few years now, we have been discussing the fact that before too many more years go by we will be running out of room in the existing cemeteries, thus causing the town to have to purchase another parcel of property. Now, these very generous people have taken care of this problem by offering to donate a piece of property next to the East Cemetery for future use. This donation will be very much appreciated.

Respectfully submitted,
Timothy Fiske, Cemetery and Common Supervisor

VILLAGE GREEN COMMITTEE For the Year of 1993

The Village Green Committee was formed in 1985 as an ad hoc committee to benefit the town. Its goal is to maintain the Town Common and otherwise assist in beautifying town common areas. The single method of raising funds for this purpose is the Temple Harvest Festival, which is held annually on the last Sunday in September. Committee members appreciate the enthusiasm and hard work put in by the people who contribute to this notable event.

After experiencing the first truly rainy festival since 1987, a survey was conducted among festival participants to determine if having a raid date for the festival would be appropriate. Respondents gave overwhelming support for continuing as we have with a single date, rain or shine.

Although the festival held this fall was held in the rain, most crafts people and other participants had some form of rain cover. This year for the first time, a large 40'x60' tent was set up on the Common and it served admirably in its role as an oversized umbrella for most of the festival participants. Because of the expense of renting such a big tent, as well as the one-time purchase of redwood boards for the construction of two picnic tables and also the smaller than usual crowd, the Village Green Committee came up a little short in this year's accounting. With proceeds totaling \$1,024.30 and expenses totaling \$1,174.42, our net loss was \$150.12. Fortunately, the proceeds from previous years were enough to carry us through a difficult year and we look forward to more favorable circumstances in 1994.

In addition to rental of spaces on the Common to crafts people and donations by the town organizations who use this event for their own fundraising, the Village Green Committee has benefited greatly over the years by proceeds from the sale of the Temple "Pot Luck" Cookbook. Cookbooks, however, are now essentially sold out. Please note that if there are two or three inspired individuals in our midst who might be interested in setting up another cookbook, members of the Village Green Committee would be happy to hear from you and to work with you in putting it together. There are certainly many great recipes in our Temple kitchens still waiting to be immortalized in print.

A summary of how income earned from past festivals was spent in 1993 is as follows:

Fertilizing the Common and other common areas	\$ 227.00
Purchase of loam for the town	590.00
Purchase of plantings for the municipal building	160.00
Purchase of spring bulbs for the municipal building	157.00
Installation of an electrical box adjacent to the Common	433.00
Seven months' electrical expenses (@ \$8.35/mo.) to PSNH	58.45
Donation to Mansfield Library for landscaping	100.00
Total Expenses	<u>\$1,725.45</u>

ZONING BOARD OF ADJUSTMENT

During 1993, the Zoning Board of Adjustment (ZBA) heard four cases regarding land use. The first concerned a variance for insufficient frontage for a minor subdivision (denied). The remaining cases dealt with special exceptions for commercial enterprises, specifically: an automotive-truck repair garage (granted); a bed & breakfast operation (granted); and another automotive-truck repair garage (granted).

The ZBA hold regular meetings on the first Thursday of the month, at the Municipal Building, beginning at 7:30 p.m. All meetings and hearings are open to the public.

Paul Quinn, Chairman

RECYCLING CENTER

Anyone who read a newspaper back in 1979 could not help but realize the seriousness of the solid waste crisis this country was facing. As the Wilton Recycling Center starts its 14th year, the six communities who have participated in what was considered a pioneer effort in solving part of the waste disposal problem, should be proud of the fact that they were able to divert a significant amount of what was once considered trash back into something useful as well as savings to the environment, energy and landfill space.

In 1993 even with the stagnant markets for recyclables, we were able to increase revenues to about 10% of our operating cost and hopefully this will carry over into 1994. The household hazardous waste day was a success; though the disposal cost for this type of waste has increased considerably, very few people were refused. Again we would like to thank the people from Wilton, Lyndeborough, Mason, Temple, Greenville and Greenfield for their help in making 1993 at the recycling center another success.

A. Carl Wetherbee, Supervisor
